Implemented areas— $3\frac{1}{2}$ per cent. of the wages of the employees.

Non-implemented areas— $1\frac{1}{2}$ per cent of the wages of the employees.

The increased rates were, however, not given effect to during the year and the contributions were continued to be recovered at the rates previously in force *viz*: $1\frac{1}{2}$ per cent. in implemented areas and $\frac{3}{4}$ per cent. in non-implemented areas. The increased rates are now expected to be levied from 1st April, 1958.

REVISED ESTIMATES FOR THE YEAR 1957-58

Receipts

9. The total amount of ordinary revenue is now estimated to be Rs. 6,55,68,300 for the year 1957-58 as against Rs. 8,01,45,400 assumed in the Budget. The decrease in revenue is mainly under the following heads:

	Budget Estimates 1957-58	Revised Estimates 1957-58
	Rs.	Rs.
Employer' Special contribution.	3,78,20,000	2,80,69,000
Employees' contribution.	3,83,00,000	3,43,47,000
Interest and dividends.	39,51,700	30,70,600

10. **Employees' Special Contribution.**—The large decrease in revenue under Employers' Special Contribution is mainly due to the delay in implementing the Scheme in some areas and the non-implementation of the Scheme in other places as stated in para 3 above and the postponement of the levy of increased rates of contribution as explained in para 8.

11. **Employees' contribution.**—The fall in the revised estimates of employees' contribution from Rs 3,83,00,000 assumed in the Budget Estimates to Rs. 3,43,47,000 is mainly due to the postponement of implementation of the Scheme as explained in para 3.

12. **Interest and Dividends.**—Though there has been an appreciable increase in the amount of surplus cash balance investments, the receipts from interest and dividends are expected to be Rs. 30,70,600 against Rs. 39,51,700 assumed in the budget. This is due to the fact that the accounting procedure hitherto followed of adjusting interest accrued but not due/received has been discontinued from the accounts for the year 1957-58 in consultation with the Central Government and audit. It has been decided that the accounts will, in future, be maintained on cash basis only throughout on the analogy of Article 22 of Central Government's Account Code, Vol. I.

Expenditure

13. Medical Benefits.—The provision made under this head represents the Corporation's share of the expenditure which the State Governments incur in the first instance on providing medical care and treatment to the insured persons in their jurisdictions. The reimbursement to the State Governments of the Corporation's share of the expenditure is generally made on the basis of audited statements of expenditure furnished by the States Accountants General concerned but 'on account' and 'advance' payments for the expenditure incurred during the course of the year are also made, if any of the State Governments so desire.

14. The provision for the year 1957-58 was originally made on the assumption that the Corporation might have to assume responsibility for a large share, namely 5/6th of the total expenditure incurred by the State Governments in providing medical care from the 1st October, 1957, the date on which it was then proposed to extend the medical care to the families of insured persons. Since the decision to extend medical care to the families of insured persons is not likely to be implemented during the year 1957-58, the Corporation's share of the expenditure on medical care is now estimated to be Rs. 1,50,00,000 at the existing rate of 3/4th of the medical expenditure which may be incurred by the State Governments instead of Rs. 3,10,30,000 originally envisaged in the budget. The reduction is also partly due to the non-implementation of the Scheme at various centres as explained in para 3 above. The total amount on account of the Corporation's share of medical care due to be paid to the various State Governments during the year 1957-58 including past arrears is estimated to be Rs. 1,89,00,000 but provision is made for payment of Rs. 1,50,00,000 only on the assumption that a balance of about Rs. 39,00,000 will be carried over to the next year.

15. Cash benefits.—The sickness benefit to be paid during the year 1957-58 is now estimated to be Rs. 1,67,10,000 against the provision of Rs. 1,56,95,000 originally made. The increase, despite the fact that the scheme was not extended in a number of places during the year *vide* para 3 above, is mainly due to the higher incidence of sickness due to the 'flu' epidemic.

16. Administration expenses.—The total expenditure on account of administration expenses during the year 1957-58 as now estimated will be Rs. 64,00,000 as against Rs. 77,91,000 assumed in the original budget for the year. The fall in expenditure is mainly due to the non-implementation of the Scheme at various centres as explained in para 3 above which has been partly offset by excess expenditure of about Rs. 6.5 lakhs due to engagement of additional staff to meet the large number of cash benefits payments as a result of the 'flu' epidemic and other items like revision of initial pay of Lower Division Clerks from Rs. 55 to Rs. 60, payment of interim relief of increased dearness allowance to low paid staff etc.

17. Capital expenditure.—The amount originally provided for expenditure on Capital Account was Rs. 81 lakhs comprising of (a) Rs. 11 lakhs for the construction of office building for the Headquarters Office of the Corporation in New Delhi and (b) Rs. 70 lakhs for the construction of hospitals and dispensaries. No progress has been made so far by the Central P.W.D. to whom the construction of the Headquarters Office building has been entrusted. There is also no progress for the construction of hospitals and dispensaries. Hence, no provision under the head "Capital Expenditure" has been made in the Revised Estimates.

18. Debt, Deposits etc.—The provision of Rs. 50 lakhs made in the Budget estimates for the year 1957-58 on account of grant of loans to State Governments for the construction of hospitals has been omitted in the Revised Estimates as no concrete proposals for the grant of loans have been received so far.

19. In the light of the decision made to maintain accounts on cash basis only, *vide* para 12 above, the amounts outstanding on 31st March, 1957 on account of interest on investments accrued but not received/due will be written back in the accounts for the year 1957-58. This accounts for the *minus* provision of Rs. 43,700 and Rs. 10,59,400 made under these heads.

20. Cash balance.—The year is expected to close with a cash balance of Rs. 51,08,957 after investment of Rs. 2,48,67,000 (net) on account of Employees' State Insurance Corporation Provident Fund and general cash balance.

BUDGET ESTIMATES FOR THE YEAR 1958-59

Receipts

21. **Principal Heads of Revenue.**—Provision on account of Employers' Special Contribution has been made on the basis of the increased rates of contribution with effect from 1st April, 1958 *vide* para 8. Since the Employers' Special Contribution for a quarter is payable in arrears before the expiry of the succeeding quarter, the increased rate of Employers' Special Contribution will accrue to the Corporation during the last three quarters of the year, 1958-59. For the purposes of these estimates, the Employers' Special Contribution has, therefore, been provided for one quarter at the rates now prevalent namely $1\frac{1}{4}$ per cent in implemented areas and $\frac{3}{4}$ per cent in the non-implemented areas. For the last three quarters of the year, provision has been made at the increased rates approved by the Central Government. The provision under employees' contribution comprise of contributions at the scheduled rates from the employees of all implemented areas for the whole or part of the year depending upon their respective dates of coverage.

22. **Other Heads of Revenue.**—A sum of about Rs. 52,76,000 is expected to be earned as an interest on the investment of the General Cash Balance and Rs. 15,000 as rent from the employees of the Corporation to whom the surplus accommodation available in the Corporation's building at Bombay has been let out as residential flats. The provision of Rs. 59,000 under "Miscellaneous receipts" includes (i) Rs. 33,600 on account of fees expected to be recovered from insured persons for the issue of duplicates of lost identity cards, (ii) about Rs. 21,700 as miscellaneous receipt including application fees from the candidates who may apply for the posts likely to be filled by the Corporation in the areas where the Scheme is yet to be implemented and (iii) Rs. 3,700 on account of contribution from the employees of the Corporation towards the Health Contributory Scheme in Delhi and New Delhi.

Expenditure

23. The increased provisions under the various heads in the budget estimates for the year 1958-59 over the revised estimates for the year 1957-58 are mainly due to (i) the extension of medical care to the families of insured workers; (ii) the extension of the Scheme to new areas, and (iii) the operation of the Scheme implemented in 1957-58 for a full year instead of a part of the year.

24. **Medical benefits.**—The question of extension of medical care to the families of insured persons which has already been approved by the Central Government and the Corporation is still under correspondence with some of the State Governments. Provision to meet the expenditure on this account has, however, been made on the assumption that the extension will take effect from 1st April, 1958. The Corporation has also decided with the approval of the Central Government that from the date from which the medical care is extended to families of insured persons the State Government's share of the cost of medical care should be reduced from $\frac{1}{4}$ th to $\frac{1}{8}$ th for the rest of the Second Plan period. The provision under the head "A—Medical Benefits"—"Payments to State Governments" has accordingly been made for the year 1958-59 on the basis of the Corporation's increased share from $\frac{3}{4}$ th to $\frac{7}{8}$ th.

The Corporation's share of the cost of medical care for the insured persons and their families is estimated to be Rs. 5.22 crores including past arrears, but provision has been made for Rs. 4.25 crores on the assumption that an amount of about Rs. 1 crore will be carried over to the next year as unpaid, due to any delay in the receipt of statements of expenditure from the State Governments etc.

25. **Cash benefits.**—The provision made for the various cash benefits are based on the actuals per employee for the year 1956-57 and for the first six months of the year 1957-58 (excluding increase due to the 'flu' epidemic) after making due allowance for the commencement of the benefit periods and the wages in the different areas. It includes capitalised values of the total liability of the Permanent (partial and total) Disablement and Dependents Benefits expected to arise out of employment injuries occurring in the course of the year. The provision under the head "Sickness Benefit" includes Rs. 6,88,000 for the payment of extended benefit to the insured persons suffering from tuberculosis. A slightly higher percentage for sickness benefit *per capita* has been provided for the year than in the year 1956-57 for any increase in the incidence of sickness.

26. Administration Expenses.—The Administration expenses have been exhibited under two heads, viz. (A) Superintendence and (B) Field Work. Subject to the remarks in para 7(b) above, the head 'A'—Superintendence embraces administrative expenditure relating to the Headquarters and the Regional Offices, while 'B'—Field Work covers similar expenditure pertaining to the Local and Inspection Offices.

27. A total provision of Rs. 72.56 lakhs has been made in the budget for the year 1958-59 on account of administration expenses. The provision on account of the pay and allowances has been made for the staff actually required during the year. The posts for which provision has been made are within the posts already approved by the Standing Committee except for Bareilly, Hathras, etc., in Kanpur Region; Sholapur and Aurangabad in Bombay region; rest of Greater Calcutta, Gauhati, Tinsukia, Cuttack and Brajrajnagar in Calcutta Region; Salem and St. Thomas Mount etc., in Madras Region; Warangal and Sirpur in Andhra Pradesh Region; and Cannanore, Kozhikode etc., in Kerala State Region for which proposals will be submitted separately to the Standing Committee for approval.

A statement showing the details of the provision made under the head 'Allowances and Honoraria' is attached, *vide* Statement 'C'.

Contingencies.—(both under A—Superintendence and B—Field Work).

28. Photographs of workers.—A provision of Rs. 1 lakh has been made on account of the photographs of workers which is a new item of expenditure. The Standing Committee has already taken the decision that identification of insured persons may be by identification marks and by affixing photographs on the identity cards. The expenditure on photographs of insured persons will initially be incurred by the employers and reimbursement will be made to them by the Corporation at Rs. 0.37 pP per photograph.

29. Stationery and forms.—A sum of Rs. 3,95,500 has been provided. Besides the usual requirements of stationery for the offices of the Corporation, it includes the expenditure for setting up the records relating to 4,05,000 insured persons to be covered in Ahmedabad, Bangalore, etc., as well as the labour turn-over in areas where the Scheme has already been implemented.

30. Legal charges.—The charges represent fees paid to lawyers and other Court charges in cases instituted by and against the Corporation. The number of such cases is on the increase partly due to progress and extension of the scheme and partly to the policy adopted by the Corporation to prosecute habitual defaulters instead of the 'go-slow' policy followed in earlier years.

31. Capital expenditure.—A sum of Rs. 3 lakhs has been provided as capital expenditure to cover the expenditure likely to be incurred during the year 1958-59 against the total estimated cost of about Rs. 11 lakhs for the construction of the Headquarters Office building in New Delhi.

A sum of Rs. 70 lakhs has been provided as expenditure on the construction of hospitals which may be undertaken by the Uttar Pradesh and Madras etc. Governments during the year 1958-59.

32. Debt, Deposits etc.—No definite information is now available whether any of the State Governments would require any loans for the construction of hospitals during the year 1958-59. A token provision of Rs. 10 lakhs only has, therefore, been provided in the budget estimates for 1958-59 in case there is any demand from any State Government for the purpose.

33. Cash balance.—It is anticipated that there will be a closing cash balance of Rs. 58,94,257 on 31st March, 1959 after investment of Rs. 3,68,56,000 (net) as follows:

ESIC Provident Fund Balance	.	.	Rs.	90,000
General Cash Balance.	.	.	Rs.	3,63,66,000

CENTRAL GOVERNMENT INDUSTRIAL TRIBUNAL AT CALCUTTA

20/1 Gurusaday Road, Ballygunge, Calcutta-19.

APPLICATION No. 55 of 1957: (U/S 33-A)

Barindra Nath Koley, c/o, Calcutta Port Shramik Bhawan, 26, Pipe Road, Calcutta-23—Complainant.

Vs.

Calcutta Port Commissioners, 15 Strand Road, Calcutta-1—Opposite Party,

In the matter of a complaint under section 33-A of the Industrial Disputes Act, 1947 arising out of Reference No. 1 of 1956.

Dated, the 23rd April, 1958

PRESENT

Shri A. Das Gupta, Sole Member.

Appearances:

Shri Prasanta Kumar Dutta, Deputy Secretary, Port Shramik Union, for the complainant.

Shri K. B. Bose, Counsel, and Shri N. M. Das Gupta, Advocate for the Port Commissioners.

AWARD

The present application under section 33-A of the Industrial Disputes Act has been filed by Shri Barindra Nath Kolay, an ex-employee under the Port Commissioners, complaining that he had been wrongfully discharged during the pendency of the main adjudication proceedings with effect from 4th November, 1957 in violation of the principles of natural justice and without any express permission from the Tribunal as contemplated by section 33 of the Act.

2. The application is opposed by the Port Commissioners, Calcutta. It transpired at the hearing that Shri Barindra Nath Kolay was appointed as a temporary clerk from 4th January, 1954 to 30th April, 1954. On expiry of the term his services were terminated with effect from 1st May, 1954 and he was again appointed against a permanent vacancy with effect from 26th May, 1954 and continued in the employment of the Port Commissioners till 4th November, 1957. As he was in continuous service, he was given the normal time scale increments and was permitted to apply for membership to the contributory provident fund. As was the practice of the Port Commissioners, a report was called for from the police when the confirmation of Shri Kolay was due. The police report which is dated 17th September, 1956 was adverse against Shri Kolay. It comes over the signature of the Deputy Inspector General of Police, I.B., C.I.D., West Bengal and reads as follows:

"I am to say that he (subject) is considered unsuitable due to his connection with subversive organisation."

On receipt of the police report the Port Commissioners, in the interest of the Port, decided to dispense with the services of Shri Kolay and accordingly issued a notice dated 31st October, 1957/2nd November 1957 to Shri Kolay over the signature of the Chief Mechanical Engineer terminating his services with effect from 4th November, 1957 and was granted one month's salary as *ex-gratia* payment. Annexure B to the written statement of the Port Commissioners is a copy of the notice. To dislodge the police report, the complainant has filed as many as 13 certificates of good conduct from respectable gentlemen of his village and its neighbourhood. These certificates are Ext. W/1 series. The complainant belongs to the village Khosalput in the district of Howrah but had to live for a good portion of the day during the period he was in the employment of the Port Commissioners. Connection with subversive organisation is carried on secretly so much so that even the members of the family such as parents, brothers, wife, cannot know of the subversive activities of a man. The police is the competent authority to report about the character of each and every citizen living within its jurisdiction and it presumed that all such reports are based on proper investigation although confidential. There may be cases where police reports are based on the information received from unscrupulous designed persons. But such cases are very rare. We are not here to scrutinise the police report or to assess its value. The only question that arises in the present case is whether the Port Commissioners had actually any unfair motive and were guilty of unfair labour practice. So long as the police report against Shri Kolay is there, the Port Commissioners in the interest of the Port's safety cannot brush it aside and permit Shri Kolay to continue in service in the teeth of the police report against him which must have priority over all other considerations. It is true that in the notice terminating the services of Shri Kolay there was no specific reference to the police report and it is true that the Port Commissioners waited for about a year after receipt of the police report to take a final decision. Shri K. B. Bose urged that the authorities in their anxiety that termination of Shri Kolay's services might not in any way affect him for all time to come decided not to refer to the police report in the notice. Shri K. B. Bose's contention is not altogether without any substance. No satisfactory explanation was however offered for the delay in

the Port Commissioner's taking the decision but whatever might have been the reason for the delay, the fact remains that the police has not changed its decision and the Port Commissioners did not act hastily.

3. The Police report has a presumptive value about its correctness. No rigid principle can be laid down that an employer must hold an investigation against the worker before he proposes to take disciplinary action against him. General rule of enquiry laid down by Tribunals from time to time is undoubtedly subject to exception and the present case comes under one such exception. In the case of Bihar Fire Works and Potteries Limited (1953 I LLJ 49), the Labour Appellate Tribunal appear to have accorded its approval to dismissal of the workmen on the report of the Superintendent of Police and Inspector of Police that the workmen had been in the active list of suspects. A departmental enquiry in the present case would be without any value, for private enquiry could not undo the police report. No amount of evidence adduced in a departmental enquiry or in an enquiry before a Tribunal can undo a police report. Any person aggrieved by the police report can only dislodge it in the constitutional way provided under the law. In the present case, the mere absence of enquiry by the employers in the stereotyped form does not in any way affect the position.

4. Apart from all these questions, Shri K. B. Bose urges, that the services of a temporary worker can be terminated without any notice and that termination of the services of a temporary worker is not hit by section 33 of the Industrial Disputes Act. A temporary worker in the strict sense of the term is one who is employed for a specific period or for any specific work of a temporary nature and his services are terminated on the expiry of the stipulated period or on completion of the work for which he was employed. The complainant was admittedly appointed against a permanent vacancy and it is nobody's case that he was appointed for any specified period. He might be called a probationer rather than a temporary worker. The Port Commissioner's case is that he was not confirmed and there is nothing to show that he was confirmed. Confirmation of a workman is the exclusive function of management and the Tribunal has no jurisdiction to investigate into any dispute over confirmation of a workman unless and until it is proved that the management is actuated by ulterior motive is not confirming him. In the present case, there is no such suggestion and in fact the whole trouble arose when the employers intended to confirm the complainant. It has been authoritatively decided by the Labour Appellate Tribunal in the cases of Upper Ganges Valley Electricity Supply Company Limited and Karam Chand Thapar, reported in 1953 L.A.C. respectively at page 127 and page 152, that the services of a probationer can be terminated without notice at any time during the period of probation if the employer is not satisfied with his work or conduct or progress. In the present case, after receipt of the police report, the Port Commissioners could not be satisfied with the character and conduct of the complainant. The Port Commissioners instead of dismissing the complainant outright, discharged him not only with a month's notice but also with a month's salary. The action of the Port Commissioners does not accordingly call for any interference.

5. The next point for consideration is whether the Port Commissioners contravened the provisions of section 33 in terminating the services of the complainant. It is not disputed that the Port Commissioners did not obtain any permission from this Tribunal as contemplated by section 33 of the Act. After what I have decided on the merit, I do not propose to enter into the controversy on this point. Even assuming that the provision of section 33 were contravened, such contravention did not make the action of the Port Commissioners void. Such contravention gave jurisdiction to this Tribunal to investigate into the subject matter of the complaint and may expose the Port Commissioners to criminal prosecution provided in the statute. I have carefully considered the complaint of Shri Kolay on the merit and my decision is that it must be rejected. In this view of the case I do not propose to express myself as to whether there have been any contravention of section 33 of the Industrial Disputes Act, 1947. This is my award.
